The Faverges chapel and the old milk scale add a touch of heritage to this lovely walk.

Along the way, you'll discover the water mill in a basin at Les Faverges.

A lovely view of the village awaits you along the way.

BERNEX

YOUR ROUTE

Departure point: Bernex church.

- 1** Follow the road past the tourist office to the "bridge over the Ugine".
- 2** Before the bridge, turn right and pass the old mill (on your right). Following the river, the track enters the undergrowth.
- 3** Before you reach the first houses in "Les Faverges" (note the water mill in a pond), take the track which climbs to the right, towards "Bernex". The path becomes flat again as you pass over the cemetery.
- 4** Join the road coming from "Saint-Paul", which you follow for a few metres until you reach a crossroads, from where you return to the starting point, heading for the church.
